2019 Happy New Year Message from KKF Executive President

Wednesday, December 26, 2018

Dear KKF Members, Supporters, and Friends:

During this holiday’s season and as this year is ending, on behalf of the Khmers Kampuchea-Krom Federation (KKF), I would like to wish you and your family a wonderful holiday and wish all the negativity and difficulties also end with this year.

As the upcoming year of 2019 is approaching, it is now a good time for us to reflect what we had done in 2018. Let me begin by expressing my deep appreciation to the KKF members and supporters who have worked tirelessly around the world to show that the indigenous Khmer-Krom people in Kampuchea-Krom are still facing the human rights abuses and the religious persecutions.

Together working as a team, we once again demonstrated our ability and confidence to lead KKF in advocating for the fundamental rights of the Khmer-Krom successfully around the world. Below are the links to the summary of the KKF activities in 2018:

The 2019 will be another historical checkpoint in the Khmer-Krom history. It will mark the 70th year that Kampuchea-Krom had been transferred by the French colonial power in Indochina to the government of King Bao Dai of Vietnam on June 4, 1949, without the consent of the Khmer-Krom people. The members of KKF around the world will continue to work harder as a team to seek justice for the voiceless Khmer-Krom in Kampuchea-Krom.

As the New Year dawns, May it bring new happiness, new achievements, fully loaded with happiness and brighter tomorrow. Happy New Year 2019!

Sincerely yours,

Sereivuth Prak
